

Lovesong (Adele/Original The Cure)

Whenever I'm alone with you
You make me feel like I am home again
Whenever I'm alone with you
You make me feel like I am whole again

Whenever I'm alone with you
You make me feel like I am young again
Whenever I'm alone with you
You make me feel like I am fun again

However far away I will always love you
However long I stay I will always love you
Whatever words I say I will always love you
I will always love you

Whenever I'm alone with you
You make me feel like I am free again
Whenever I'm alone with you
You make me feel like I am clean again
However far away I will always love you
However long I stay I will always love you
Whatever words I say I will always love you
I will always love you

I was made for Loving you (Maria Mena/Original Kiss)

Tonight

I want to give it all to you
In the darkness
There's so much I wanna do
And tonight
I want to lay it at your feet
'Cause boy I was made for you
And boy, you were made for me

I was made for lovin' you, baby
You were made for lovin' me
And I can't get enough of you, baby
Can you get enough of me? Lalala...

Tonight

I want to see it in your eyes
And feel the magic
There's something that drives me wild
And tonight
We're gonna make it all come true
'Cause boy I was made for you
And boy, you were made for me

I was made for lovin' you, baby
You were made for lovin' me
And I can't get enough of you, baby
Can you get enough of me?
I was made for lovin' you, baby
You were made for lovin' me
And I can't get enough of you, baby
Can you get enough of me
Nanana...

Tonight

I want to see it in your eyes
And feel the magic
There's something that drives me wil

I was made for lovin' you, baby
You were made for lovin' me
And I can't get enough of you, baby
Can you get enough of me?
I was made for lovin' you, baby
You were made for lovin' me
And I can't get enough of you, baby
Can you get enough of me

One (U2)

Is it getting better
Or do you feel the same?
Will it make it easier on you now?
You got someone to blame
You say one love, one life (One life)
It's one need in the night
One love (one love), get to share it
Leaves you darling, if you don't care for it
Did I disappoint you?
Or leave a bad taste in your mouth?
You act like you never had love
And you want me to go without
Well it's too late, tonight
To drag the past out into the light
We're one, but we're not the same
We get to carry each other
Carry each other
One, one
One, one
One, one
One, one
Have you come here for forgiveness?
Have you come to raise the dead?
Have you come here to play Jesus?
To the lepers in your head
Well, did I ask too much, more than a lot?
You gave me nothing, now it's all I got
We're one, but we're not the same
See we hurt each other, then we do it again
You say love is a temple, love is a higher law
Love is a temple, love is a higher law
You ask me of me to enter, but then you make me crawl
And I can't keep holding on to what you got, 'cause all you got is hurt
One love
One blood
One life
You got to do what you should
One life
With each other
Sisters and my brothers
One life
But we're not the same
We get to carry each other, carry each other
One, one
One, one
One One love, one life

Scientist (Coldplay)

Come up to meet you
Tell you I'm sorry
You don't know how lovely you are
I had to find you
Tell you I need you
Tell you I set you apart

Tell me your secrets
And ask me your questions
Oh let's go back to the start
Running in circles, coming up tails
Heads on a science apart

Nobody said it was easy
It's such a shame for us to part
Nobody said it was easy
No one ever said it would be this hard
Oh take me back to the start

I was just guessing at numbers and figures
Pulling your puzzles apart
Questions of science, science and progress
Do not speak as loud as my heart

Tell me you love me
Come back and haunt me
Oh and I rush to the start
Running in circles, chasing our tails
Coming back as we are

Nobody said it was easy
Oh it's such a shame for us to part
Nobody said it was easy
No one ever said it would be so hard
I'm going back to the sta

Don't know why (Norah Jones)

I waited 'til I saw the sun
I don't know why I didn't come
I left you by the house of fun
I don't know why I didn't come
I don't know why I didn't come

When I saw the break of day
I wished that I could fly away
Instead of kneeling in the sand
Catching teardrops in my hand

My heart is drenched in wine
But you'll be on my mind
Forever

Out across the endless sea
I would die in ecstasy
But I'll be a bag of bones
Driving down the road alone

My heart is drenched in wine
But you'll be on my mind
Forever

Something has to make you run
I don't know why I didn't come
I feel as empty as a drum
I don't know why I didn't come
I don't know why I didn't com

I don't know why I didn't come

Wish you where here (Pink Floyd)

So, so you think you can tell
Heaven from hell
Blue skies from pain
Can you tell a green field
From a cold steel rail?
A smile from a veil?
Do you think you can tell?

Did they get you to trade
Your heroes for ghosts?
Hot ashes for trees?
Hot air for a cool breeze?
Cold comfort for change?
Did you exchange
A walk on part in the war
For a lead role in a cage?

How I wish, how I wish you were here
We're just two lost souls
Swimming in a fish bowl
Year after year
Running over the same old ground
And how we found
The same old fears
Wish you were here

Fisherman's Blues (The Waterboys)

I wish I was a fisherman
Tumblin' on the seas
Far away from dry land
And it's bitter memories

Castin' out my sweet line
With abandonment and love
No ceiling bearin' down on me
Save the starry sky above

With light in my head
you in my arms

I wish I was the brakeman
On a hurtlin fevered train
Crashin head long into the heartland
Like a cannon in the rain

With the beating of the sleepers
And the burnin of the coal
Countin the towns flashin by
And a night that's full of soul

With light in my head
you in my arms

Tomorrow I will be loosened
From bonds that hold me fast
And the chains all hung around me
Will fall away at last

And on that Fine and fateful day
I will take thee in my hands
I will ride on the train
I will be the fisherman

With light in my head
You in my arms

Light in my head
You in my arms
Light in my head
You
Light in my head
You in my arms
